

Countrywide Inns

The Countrywide Inns holiday programme is based on carefully selected simple properties throughout Ireland with each one offering en suite bedrooms, bar, and in most cases food facilities.

Many of the properties featured are small hotels in the one and two-star categories. Some are predominantly restaurants with accommodation and bar, others are pubs with accommodation and some are guest houses with bars. In addition to the inclusive facilities, the binding factor is that all properties are offered in this inclusive holiday at a standard price.

Holidays can be of any duration and if you wish to plan a motoring tour, perhaps staying one night in several locations, we will gladly help. Whether you stay one night or two weeks, the friendly staff at Leisure Breaks will pre-book your chosen hotels.
